DfE School Performance Tables – Stockport School Achieves 8th Place Nationally!

January 2017

Dear Parent/Carer,

At the start of January, the Department for Education (DfE) published their updated school performance tables, and I am delighted to report that Stockport School has performed exceptionally well!

According to the data, of **all similar schools nationally** (based on end of KS2 Primary School performance), **we rank 8th overall in terms of progress made at GCSE!**

In addition, the DfE confirm that ***“there is no better performing school within a 75 mile radius!”***

We are delighted with last year’s GCSE results and in particular the record levels of progress that our students have made. This is a great recognition of the terrific dedication and commitment to learning that our staff and students apply, and we are particularly delighted with the significant value added success that has been achieved.

Yours sincerely

Mr I. R. Irwin
Headteacher
