Stockport School is supporting the Cancer Research UK Race for Life 2019

Dear Parent/Carer,

Our school is holding its very own Race for Life event to enable our students, staff and their families to join the fun and support the fundraising for Cancer Research UK. There will be a choice of a 3km or 5km course, both of which will take place on the school field.

In 2018 there were over 3,000 'Race for Life Schools' events across the UK, together they raised approximately £1.4m for Cancer Research UK. Over the last four years we have raised over £2,500. This money has helped scientists to continue their life-saving research into the prevention and treatment of over 200 cancers. Cancer Research UK's work is funded entirely by the fundraising efforts of people like us so the more of you who unite with us in the fight against cancer, the more money we can raise to beat cancer sooner.

The fun starts at 10.30am

at Stockport School

on Saturday, 21st September 2019

All runners will need to be registered before the event and no-one will be allowed to take part on the day unless they have filled in a registration form.

Please complete the registration form attached and in order to support the fundraising for Cancer Research UK, we are asking for £5.00 for a single student entry or £15.00 for a family entry. All entry fees go directly to Cancer Research UK.

Please ask your child to return the registration form, permission slip and payment to the School Finance Office by **Wednesday, 18th September 2019** at the latest. There will be stalls on the day too, including refreshments, a chocolate tombola & face painting. It should be a great day for all!

Additionally, we have set up a Stockport School 'Just Giving' page so that family/friends can donate or sponsor a person online, say who the money is for and leave a personal message. To log on go to: JustGiving.com and search for Stockport School.

Thank you for your support

Mrs J Howarth Director of PE
On behalf of Cancer Research UK
