

I am writing to inform you of some very exciting news about Stockport School.

The Manchester Evening News (MEN) have informed me that Stockport School has been selected as a finalist for this year's prestigious **Secondary School of the Year award**.

You may remember that last year we were the proud winner of the '*Manchester Evening News - School in the Community Award*', so to be shortlisted again this year as a finalist across the whole of Greater Manchester for '**Secondary School of the Year**' is yet another well-deserved recognition of the exceptional work that goes on at Stockport School and of the terrific dedication and commitment that our students, staff, parents, governors and local community put into making the school and our students a success!

We are incredibly delighted and very proud to have been shortlisted for this prestigious Manchester Evening News award.

The Manchester Evening News will announce the overall winners across the various award categories including the prestigious '*Secondary School of the Year award*' which we have been shortlisted for, at a celebratory lunch and awards ceremony which will take place at the Manchester Hilton Hotel in July.

Look out this week, as details of our shortlisting and of that of other finalists for the award will be announced in the Manchester Evening News.

Mr I. R. Irwin
