5 top tips for the best start to year 7

Tip one

- ▶ **Do not be afraid to make friends.** The best thing to start of with is to introduce yourself to someone **new**. Highschool is like a new start it is better to meet as many people as possible. Challenge- see how many people you can meet in one day.

Tip two

- ▶ **The best first impressions!** A new start is not **all** about friends, it's also about the teachers. Today is your time to shine, to show how amazing you are! Get stuck in!

Tip three

- ▶ **Get involved!** Do not be afraid to **stand out**. Take part with **as many as or all opportunities possible**. These include after school and lunchtime activities e.g. choir, dance, football, rugby, boardgames, dungeons and dragons club and many others. Also get involved with charity fundraising which may appear in house competitions and things like book buzz and competitions.

Tip four

- ▶ **Get organized.** The key is to be ready and organized, is simple things like having everything ready for the next lesson. Top Tips- get your bag packed the night before, always have a reading book, pens, pencils, a ruler, a rubber and your planner that you will receive.

Final tip

- ▶ **Be smart!** Your appearance matters. Now you **represent** the school so uniform matters!

That is everything you
need to know about
starting year 7! So.....

Thankyou for listening and good luck!
