STOCKPORT SCHOOL

Headteacher Mr I. R. Irwin BA (Hons), MSc, NPQH

Leading Parent Partnership Award

Stockport School is committed to gaining the Parent Partnership Award.

We are proud of our working relationships with parents and carers. We aim to support our families in a variety of ways and are hoping to have our excellent partnership recognised by being awarded with the Leading Parent Partnership Award (LPPA).

The school has decided to work towards and achieve the Leading Parent Partnership Award over the next 15 months. This national award recognises and promotes effective communication and information between schools and parents and carers. This award looks at how well we work with parents and carers, how welcoming the school is, and how we support parents in helping their child to learn. We aim to improve communication with parents and the community, support parents/carers and children to extend their learning and to encourage a greater input and more involvement of parents in school life. You can find out more information about the LPPA via the website www.lppa.co.uk

This is a challenging award which will provide the school with a valuable school improvement plan as recognition for our commitment to working with schools and parents. You can support this work by completing questionnaires and evaluations of events at school. There will be regular updates of our progress on our school website.

If you would like more information please feel free to contact me

Yours sincerely,

Mr P. Rough
