The Learning Records Service (LRS) Issue you an Unique Learner Number. The LRS issues ULNs to learners in England, Wales and Northern Ireland, and is operated by the Education and Skills Funding Agency (ESFA), an executive agency of the Department for Education (DfE) in England. This privacy notice explains how we use your personal information. For the purposes of relevant data protection legislation, the DfE is the data controller for personal information processed.

How we use your personal information

The Learning Records Service (LRS) is operated by the ESFA. The LRS collects information about learners registering for relevant post-14 qualifications, for example:

- GCSEs and A-Levels
- Entry to Employment Certificates
- Regulated Qualifications Frameworks
- Welsh Bacalaureate and associated units

The LRS uses your information to:

- issue you with a Unique Learner Number (ULN)
- create your Personal Learning Record (PLR)

The ULN enables education and training sector organisations, and Awarding Organisations regulated by Ofqual in England, Qualifications in Wales (QiW) in Wales and CCEA in Northern Ireland, to share information about participation and achievement in a consistent and approved manner, promoting good information management practice, and helping to improve accuracy and efficiency. It benefits you through enhancing the application processes to Awarding Organisations, learning providers, learning advisors and other third parties.

The PLR stores your education and training participation and achievement information collected directly from educational institutions and other bodies.

How we collect your personal information

The LRS collects information from:

- DfE, schools and training / learning providers
- information provided by you when enrolling with the training/learning provider
- participation and achievement data held by the Welsh Government
- accredited achievement data supplied by awarding organisations

How we share your personal information

All organisations that have control of personal data about you and that we store in the LRS are required to register with the Information Commissioner's Office and to handle your information in accordance with the latest data protection legislation.

The LRS is accessible by organisations under agreement with the DfE (England). Your personal information is only accessed through the LRS by organisations specifically linked to your education and training, including those organisations specified in Regulations made under section 537A of the Education Act.

Awarding organisations are able to access limited achievement data that we hold about you, in order to verify its accuracy.

How long we will keep your personal information

We will only keep your personal information for as long as we need it after which it will be securely destroyed. Your personal information stored in the Personal Learning Record is retained for 66 years.
